Today's results were recorded by computer at the lake so the results were immediately available at the clubhouse.

The program also recorded the time for each boat for each race. These results were printed after the place based results and are very close to what the results would have been for a mass start race.

The Kaiapoi Pennant results will most likely be taken from the place based results listed first as it is a MF trophy.

Note: The following are supposed to be jokes, not real life.

Canadian Summer: I asked my Canadian friend "Did you have a good Summer? He replied "Yes indeed, we had a great picnic that afternoon!"

Miniature Golf: It was at a miniature golf course on a brutally hot day when I saw a father with 3 kids. "Who's winning?" I asked cheerfully. "I am" said one "no, I am" said another. "No," the father said "their mother is!"

Scare: My two-year-old cousin scared us one summer by disappearing during our lakeside vacation. More than a dozen relatives searched the forest and shoreline, and everyone was relieved when we found Alex playing calmly in the woods. "Listen to me, Alex," his mother said sharply. "From now on when you want to go someplace, you tell Mommy first, okay?" Alex thought about that for a moment and said, "Okay. Disney World."
